REGISTRATION (BEGINS NOV. 15, 2009)

A. METHOD

Online electronic registration (Required)

Online registration is the ONLY method available for entry into the 2010 U.S. Figure Skating qualifying competition season.

To enter online into the 2010 adult qualifying competition season, proceed in the following manner:

- Log on to www.usfsaonline.org.
- Input your username and password.
 - Your username is your U.S. Figure Skating membership number.
 - If you do not already have a password, go to www.usfsaonline.org first and follow the online instructions.

If you are experiencing difficulty with online registration, please call the U.S. Figure Skating main number at 719.635.5200, or e-mail the U.S. Figure Skating member services department at memberservices@usfigureskating.org.

B. DEADLINES

The entry deadline for the 2010 Adult Sectional Championships is **11:59 p.m., Jan. 2, 2010**.

The entry deadline for the 2010 U.S. Adult Championship is **11:59 p.m., Jan. 15, 2010**.

The time zone of your home club (members affiliated with a club) or your primary address (individual member) will determine the entry deadline. **NO REGISTRATIONS WILL BE ACCEPTED AFTER THIS DEADLINE. NO EXCEPTIONS.**

Age requirements for the sectional championships must be met by **Jan. 2, 2010**.

Test requirements must also be met by **Jan. 2, 2010**. Provisional entries based on passing a test after the closing date of entries will not be accepted. Please refer to U.S. Figure Skating Rules 3107, 3108 and 3109 for further testing information and guidelines. Skaters may NOT test the next higher level after the close of entries.

C. ELIGIBILITY

This event is open for participation to all eligible competitors who are members in good standing of U.S. Figure Skating per rule 3050, E.R 1.02 and 1.06. For **championship** events at the U.S. Adult Championships and Adult Sectional Championships, non-U.S. citizens must meet the requirements of rule 3066. "Non-U.S. Citizen Application to Compete" and supporting documentation must be submitted to the Chair of the Competitions Committee no later than Jan. 1, 2010. Read Rule 3066 for complete details. Forms are available on the U.S. Figure Skating web site. Those entering **non-championship** (open) events at sectionals and U.S. Adult Championships are not subject to Rule 3066, but fall under rule 3051B, which states that they must be legal residents of the U.S. and meet all other test, age and membership qualifications. Non-U.S. citizens entering open events need only fill in the appropriate boxes on the nonqualifying entry form.

Skaters may not enter an adult level at a qualifying competition (Adult sectionals/U.S. Adult Championships) and a standard level at a qualifying competition (regionals/sectionals/U.S. Championships) in the same kind of event, in the same competition season and vice versa. For example, a skater may not enter novice men free skate on the standard track and masters free skate on the adult track in the same season, but may enter novice men free skate on the standard track and masters pairs on the adult track.

Age and test qualifications as of entry deadline date will determine event eligibility and classification for all. Tests passed after close of entries and prior to the event will disqualify skaters if test exceeds maximum requirement for the event entered in this competition.

Skaters may compete in as many disciplines as qualified by test level but may compete in only one event per discipline (maximum total of four events). As an exception, a competitor who qualifies to enter a championship event in adult dance, adult pairs, adult masters free skate or adult gold free skate through their adult sectional championships may also enter an open event at the test level for which they may be qualified.

D. AGE CATEGORIES

Per rule 3292, there shall be age categories for all free skate and interpretive events, except championship events. For the 2010 competitive season, the age categories at the U.S. Adult Championships are as follows:

Class I:	21 years through 30 years
Class II:	31 years through 40 years
Class III:	41 years through 50 years
Class IV:	51 years through 60 years
Class V:	61 years and over

All age categories may be divided or combined depending on the number of entries. Masters levels (intermediate/novice/junior/senior) may also be combined but divided by age. This authority lies with the chief referee.

Events with two skaters MAY be combined with the closest appropriate group and/or level if a skater withdraws from the event during the conduct of the competition. This ensures that the remaining skater has an event in which to compete.

Proof of age is required for all events. Acceptable forms of documentation include birth certificate, passport or similar proof. The LOC reserves the right to require additional information.

E. BYES

No medical byes will be considered. There will be no byes to the U.S. Adult Figure Skating Championships.

F. FOUR OR FEWER

When there are four or fewer competitors in an adult sectional qualifying event (championship intermediate-novice free skate, championship junior-senior free skate, championship adult gold free skate, championship adult pairs, championship adult dance), the skaters shall be required to compete. (If there is only one competitor or team in an event, that person/team moves directly to U.S. Adult Championship without having to perform at sectionals.) If, at the close of entries, there are fewer than four competitors registered for a qualifying event at a sectional adult championship, additional competitors from the same qualifying event in other sections shall be permitted to enter the U.S. Adult Championships in order to bring the number of competitors up to a maximum of 12 (or more if ties make it necessary). See rule 3172.

G. ENTRY FEES

All competitors entering the 2010 adult qualifying competition season must submit payment of the appropriate entry fee (amounts listed below) to U.S. Figure Skating. All competitors are required to pay both the entry fee into the qualifying competition season (for each event entered) and the administrative fee. All fees are nonrefundable.

2010 Adult Qualifying Competition Season Entry Fees

Entry Fee	Level/Discipline
\$120	Championship Events (Adult Sectional Championships)
\$120	First singles event (U.S. Adult Championships)
\$80	Each subsequent singles event (U.S. Adult Championships)
\$120	Dance event per team (\$60 per individual)
\$120	Pairs event per team (\$60 per individual)
\$10	Administrative fee/transaction (All transactions subject to payment of administrative fee)

U.S. Adult Championships Entry Fees

Those competitors advancing in the championship events from the three sectional championships will not have to submit an additional entry fee to compete in the same event at the 2010 U.S. Adult Championships. However, they are NOT considered the “first singles event.” Therefore, those wishing to enter another event must pay the “first singles event” fee. For example, if you want to enter adult gold free skate and masters interpretive free skate at U.S. Adult Championships, you would pay \$120 for the first singles event and \$80 for one subsequent singles event – a total of \$200.

Once entries have closed, entry fees are only refundable if the competition is not held. There are no refunds for medical withdrawals. The chief referee reserves the right to divide or cancel an event when necessary.

Your registration is not valid until all appropriate entry and administrative fees have been paid and all required forms have been completed online to U.S. Figure Skating.

H. PAYMENT

Online payment via credit card is the ONLY accepted form of payment.

All withdrawals are considered final after a skater has entered. Once withdrawn, a skater may not re-enter, even if the withdrawal occurs prior to the entry deadline on Jan. 2, 2010.

TECHNICAL DETAILS

A. CONDUCT OF EVENTS

For the 2010 season, all events and levels at adult sectionals will be judged under the 6.0 system. Please refer to this web site for continuous updates.

D. PLANNED PROGRAM CONTENT SHEET

As part of the registration process, all competitors competing in the championship events, and those events at the gold level and higher during the 2010 adult competition season, are required to submit a planned program content sheet as part of the registration process (online submission preferred) in order to finalize your application. The PPCS is to be completed by everyone entering the 2010 U.S.

E. MUSIC

COMPETITION MUSIC INFORMATION (Required component of online registration)

U.S. Figure Skating requires all competitors to fully complete a competition music information form as part of the online registration process.

The following information is required for each piece of music used in the composition of the short program/original dance and free skate/free dance: composer, orchestra, duration of music, record label/number (optional but highly recommended if obtainable).

COMPACT DISCS (CDs)

For all qualifying events during the 2010 season, CDs are the only acceptable media. CDs must be clearly marked with name, event entered and the music length. **Each CD must have only ONE (1) track on it. In the case of a short program and free program, two (2) separate discs must be used.** Any disc with more than one (1) track will NOT be accepted! Lead in time (time before the music begins) on CDs may not exceed two (2) seconds.

New for 2010

Each CD must be in a paper CD sleeve with a see through window (obtainable at any office supply store), also labeled with the skater's name and event. Standard hard plastic jewel cases or other CD holders are no longer acceptable. CDs that are not properly identified will NOT be accepted. **Due to compatibility and reliability reasons, music may NOT be submitted on re-recordable "CD-RW" discs.**

Competition music must be turned in at the registration desk at the time of registration. At the Championships, competitors will not receive their credentials at registration until they turn in their music.

CD's are to be mailed in "CD Mailers", which can be obtained at the post office or any office supply store.

All competitors must have at least one (1) additional copy rinkside at practice sessions and during the actual competition event. The LOC will accept no responsibility for damage or loss.

U.S. Figure Skating will supply current dance music for compulsory dances.

F. OFFICIAL BULLETIN BOARD

The official bulletin board will contain any announcements or changes, and it is the responsibility of the competitors to check it often for official notices. Please refer to the local portion of the announcement for further information regarding the bulletin board.

G. SCHEDULE

A tentative schedule will be posted on the event web site as soon as possible, hopefully by mid to late February. This schedule will not include event times, only the days on which each event will be held. A schedule will not be finalized until after the completion of the three adult sectional championships in late February. The tentative schedule is a preliminary schedule; therefore, skaters should **NOT** rely upon this schedule making travel arrangements.
